Party & dinner

Of course, it's not all work! Sometimes as a business you have something to celebrate or just want to have some fun with your team? Then our private room is a great venue for up to 60 guests.

We give you as the host the option to offer your guests a "Dutch Bar" (house beer, house wines, soft drinks, coffee & tea) or an "Open bar" (with everything on our drinkmenu). One of our team will be responsible for helping you and your guests, they will come and take your orders throughout the event. The drinks are added to your bill. It is possible to hand out tokens to ensure that each of your guests receive an equal number of drinks, if required.

Snacks can be ordered from our menu as required on the day itself. We suggest that you allow 20-30 minutes for them to be served from the time of ordering. This can vary depending on how busy we are.

Although our staff will keep an eye on the amount of the bill during the event, we recommend that you also check the amount that is on your tab about halfway through the event. You could find that you have the budget available to order more drinks and maybe an extra round of snacks.

If you are hosting a dinner (for max 30. people), we offer a 2 or 3 course menu *.
A 2 course menu is €27,50 p.p. and a 3 course menu is €39,50 p.p. (drinks are not included). Our set menu always includes a vegetarian option for each course. Vegan and gluten free options are available on request. For group menus we require all menu choices to be in no later than 48 hours in advance.

We do not charge a fee for the use of our private room, but we work with a turnover guarantee. You can find all information and prices in the file 'terms & conditions'.

* You can find our different group menus on our website.
